TO : Chief, Engineering Division, OC

DATE: 5 OCT 1956

FROM : Contracting Officer

25X1

SUBJECT: Contract No. RD-71

1. We understand that you have Contractor's invention disclosure No. 15-183 in this case. Two signed copies of a letter from the Contractor of 12 June 1956 designating [] as co-inventor are attached.

25X1

2. In view of [] position in the case and the indication that the Contractor is not interested in filing a patent application, the invention may be treated, insofar as we are concerned, as one made by an Agency employee rather than as one developed in an Agency contract. As such, no further report concerning it need be made to us.
